Subject: Inquiries from Gov. Mead and WY delegation RE: WY Regional Haze Public Hearing

FYI -- As you know, OAR was assigned the response to Governor Mead's letter to Bob P. on delaying the public hearing, etc. That response is set for signature by the Acting Administrator with a due date of July 1. (Agency policy is that all letters to Governors are to be signed by the Administrator.)

Today, Region 8 received an assignment from HQ to prepare the response to a similar letter from the WY congressional delegation for the RA's signature with a due date of July 2.

FYI -- I'm assigning the congressional response to OPRA, but I will work with OCIR to assure that both the Governor's and the congressionals' responses are coordinated. I imagine you will be working with OAR on the Governor's response.

Please let me know if you have questions or concerns.

Thanks!

Sandy
